

Guidelines for Registration and Payment of Fees

The authors have to follow the guidelines given below for registration and payment of fees.

1. Complete the process of payment of registration fees using the payment details given below about RTGS/NEFT transaction.
2. After payment of fees UTR number will be generated. The UTR number along with the name of the bank, branch and transaction date is to be entered in the registration form (<http://www.ieeepunecon2020.org/registration.html>).
3. The receipt of payment of fees will be generated only after submission of registration form and confirmation of the payment with beneficiary bank statement.
